Sir:

Following is a summary of a telephone interview held on November 18, 2006 between Examiner Suhan Ni and the patent owner's representative, Joseph M. Sauer. During the telephone interview the undersigned authorized an Examiner's Amendment to the "Cross-Reference To Related Application" section of the specification to indicate that the above-captioned application is a divisional of United States Application No. 09/833,376. In addition, Examiner Ni indicated in the telephone interview that upon making the Examiner's Amendment he would issue a notice of allowance. Examiner Ni further indicated that it is not necessary for the patent owner to take any further action to respond to the final office action dated May 19, 2005.

The patent owner does not believe that any fees are due. However, any fees due should be charged to Jones Day Deposit Account No. 501432, ref.. 764164605086.

Respectfully submitted,

JONES DAY
